

## St Paul Malmesbury Without Parish Council

1. Report #03.3
2. Projects Working Party Report (PWP)
3. Purpose of Report - to invite councillors to:
  - a. Accept proposed Terms of Reference - please see page 2
  - b. Support proposals from the PWP
  - c. Offer ideas and suggestions on various and other projects.
4. **Background** – The PWP has met on two occasions since being established and has considered the following:
5. **Wilding Verges** - need to identify locations within 30/40 mph zones for planting by WC – seek suggested locations from councillors **Priority 1**
6. **SIDs** – Cllr Jones has contacted Crudwell PC and is awaiting a response, a suggestion was made to contact Hullavington PC and other possible locations for information. **Priority 1**
7. **Tree Planting** - advice has been sought, it was suggested that an Ornamental Upright Pear might be suitable in the playgrounds, cost estimated at £70 a tree, can be registered for the Queen’s Green Canopy. Suggestions for other locations welcomed. **Priority 1**
8. **Additional play equipment** - Chippenham Road playground does not need additional equipment, Rodbourne Road playground would benefit from some equipment. Ideas from local community to be sought. **Priority 1**
9. **Community benches** - three manufactures have been contacted and costs range from £350 to £550, also a seated picnic table would also be a benefit, a replacement bench at Milbourne; new ones at Foxley/Common Road triangle and Cowbridge (?) Suggestions for other locations sought from councillors. **Priority 1**
10. **Malmesbury to Corston footpath weed clearance** – request that Cllr Andy Hatherell initiates investigation with W C Highways **Priority 2**
11. **Community transport** - no work undertaken to date. **Priority 3**
12. **Defibrillator rollout** - Aldi & Budgen’s approached and an encouraging response from Aldi. **Priority 2**
13. **EV charging points** - BP has been approached to investigate if these charging facilities could be included in their refurbishment plans **Priority 2**
14. **Foxley Road at Truckle Bridge** - Wiltshire Highways maintenance issue, in hand - no further action.
15. **Information boards for historic places** – considered to be a worthwhile suggestion for progression **Priority 2**
16. **Access/maintenance to footpaths** - to consider further progress and suggestions sought **Priority 3**

## **Projects Working Party**

### **Proposed Terms of Reference (TORs)**

- 1. To identify suitable projects that would enhance the amenities and appearance of the parish;**
- 2. Where possible, identify costs associated with each project**
- 3. Consider an order of prioritisation of the projects.**
